
MANAGEMENT INFORMATION CIRCULAR
As at and Dated October 25, 2018
(Unless otherwise noted)

MANAGEMENT SOLICITATION OF PROXIES

This management information circular (“*Information Circular*”) accompanies the Notice of the 2018 annual general meeting (“*Notice of Meeting*”) of holders of common shares (the “**Common Shares**”) (the “*Shareholders*”) of Terraco Gold Corp. (the “*Company*”) scheduled to be held at 2390 – 1055 West Hastings Street, Vancouver, BC, on **Thursday, November 29, 2018 at 10:00 a.m.** (Pacific Time) (the “*Meeting*”), and is furnished in connection with the solicitation by management of the Company of proxies to be used at that Meeting and all adjournments or postponements thereof.

The solicitation of proxies will be made primarily by mail but proxies may also be solicited by telephone or other electronic means of communication by officers, directors or regular employees of the Company at nominal cost. Employees of the Company will not receive any extra compensation for such activities. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the Shareholders of the Company in favour of the matters set forth in the Notice of the Meeting. The Company may pay brokers or other persons holding Common Shares in their own names, or in the names of nominees, for their reasonable expenses for sending proxies and this Information Circular to beneficial owners of Common Shares and obtaining proxies therefor. The cost of the solicitation of proxies will be borne by the Company.

The information contained herein is given as of October 25, 2018, except as otherwise stated herein. The delivery of this Information Circular shall not, under any circumstances, create an implication that there has not been any change in the information set forth herein since the date of this Information Circular.

**APPOINTMENT AND REVOCATION OF
PROXIES**

The persons named in the form of proxy accompanying this Information Circular are officers and/or directors of the Company. **A Registered Shareholder of the Company has the right to appoint a person or company (who need not be a Shareholder of the Company) to represent the Registered Shareholder at the meeting other than the persons designated in the form of proxy accompanying this Information Circular. A Registered Shareholder may exercise this right either by inserting the name of that person or company in the blank space provided in the form of proxy and striking out the other names or by completing another proper form of proxy.** To be effective, proxies must be deposited at the office of the Company’s registrar and transfer agent, Computershare Trust Company of Canada (“*Computershare*”), Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Canada, no later than 10:00 AM (Pacific Time) on November 27, 2018. Proxies delivered after that time will not be accepted.

Proxies given by Registered Shareholders (“**Registered Shareholders**”) for use at the Meeting may be revoked at any time before their use. In addition to revocation, if any, or other matters permitted by law, a proxy may be revoked by depositing an instrument in writing, including another completed form of proxy, executed by the Registered Shareholder, or by the Registered Shareholder’s attorney duly authorized in writing or where the Registered Shareholder is a Company, by a duly

authorized officer or attorney of the Company, and delivered to the office of the Company to the attention of the Corporate Secretary, at Suite 2390, 1055 Hastings Street, Vancouver, BC, V6E 2E9, Canada, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment or postponement thereof, or with the chair of the Meeting on the day of the Meeting, or any adjournment or postponement thereof, or in any other manner permitted by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING AND DISCRETION OF PROXIES

The Common Shares represented by the proxies solicited by management of the Company pursuant to this Information Circular will be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken and where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

ON A POLL, SUCH COMMON SHARES WILL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER.

The form of proxy accompanying this Information Circular confers discretionary authority on the persons named therein in respect of amendments or variations to the matters referred to in the Notice of the Meeting and in respect of other matters that may properly come before the Meeting, or any adjournment or postponement thereof.

As at the date of this Information Circular, management knows of no such amendments or variations or other matters that may properly come before the Meeting but, if any such amendments, variations or other matters are properly brought before the Meeting, the persons named in the proxies will vote thereon in accordance with their best judgment.

INFORMATION FOR REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed proxy and returning it to the Company's transfer agent, Computershare, by mail or by hand to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Canada; or
- (b) using a touch-tone phone to transmit voting choices to the toll-free number indicated in the proxy. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the Shareholder's account number and the proxy control number; or
- (c) using the Internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the Shareholder's account number and the proxy control number; or
- (d) using a Smartphone by scanning the QR code to vote immediately.

In all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment or postponement thereof at which the proxy is to be used.

INFORMATION FOR NON-REGISTERED SHAREHOLDERS

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are “non-registered” Shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. More particularly, a person is not a Registered Shareholder in respect of Common Shares which are held on behalf of that person (the “**Beneficial Shareholder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Beneficial Shareholder deals with in respect of the Common Shares (Intermediaries include, among other things, banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

Existing regulatory policy requires brokers and other Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. The various Intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to its Registered Shareholders. However, its purpose is limited to instructing the Registered Shareholder (i.e., the Intermediary) how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form (“**VIF**”), mails the VIFs to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote Common Shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted.

These securityholders’ materials are being sent to both Registered and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding Common Shares on your behalf.

By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“**Objecting Beneficial Owners**”, or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**”, or “**NOBOs**”). Subject to the provisions of National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers may request and obtain a list of their NOBOs from Intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly (not via Broadridge) to such NOBOs.

The Company’s OBOs can expect to be contacted by Broadridge or their Intermediary as set out above.

The Company has not adopted the notice and access procedure described in NI 54-101 and National Instrument 51-102, *Continuous Disclosure Obligations*, to distribute its proxy-related materials to the Registered and Beneficial Shareholders. In addition, the Company has not agreed to pay to distribute the proxy-related materials to the OBOs and, unless the intermediaries acting for such OBOs agree to assume the costs of such delivery, the OBOs will not receive the proxy-related materials for the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the proxy provided to them and return the same to the Intermediary in accordance with the instructions provided by such Intermediary.**

All references to Shareholders in this Information Circular and the accompanying form of proxy and Notice of the Meeting are to Shareholders of record, unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth in this Information Circular, no person who has been a director or executive officer of the Company at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing, has any material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors or the annual approval of the Company's stock option plan (the "*Plan*").

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The record date for the determination of Shareholders entitled to receive notice of and vote at the Meeting has been fixed as October 25, 2018 (the "*Record Date*").

To the knowledge of the directors and senior officers of the Company, and based upon the Company's review of the records maintained by Computershare and electronic filings with the System for Electronic Document Analysis and Retrieval ("*SEDAR*"), as at October 25, 2018, there are no persons or companies who beneficially own or control or direct, directly or indirectly, Common Shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company.

Common Shares

The authorized capital of the Company consists of an unlimited number of Common Shares without par value. As at the Record Date, 146,055,795 Common Shares are issued and outstanding.

Only Shareholders of record holding Common Shares at the close of business on the Record Date, who either personally attend the Meeting or who have duly completed and delivered a form of proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have their Common Shares voted at the Meeting.

Each Common Share entitles the holder of the Common Share to one vote on all matters to come before the Meeting. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

On a show of hands, every individual who is present and is entitled to vote as a Shareholder or as a representative of one or more corporate Shareholders will have one vote, and on a poll every Shareholder present in person or represented by a proxy, and every person who is a representative of one or more corporate Shareholders, will have one vote for each Common Share registered in that Shareholder's name on the list of Shareholders as at the Record Date, which is available for inspection during normal business hours at Computershare and will be available at the Meeting. Shareholders represented by proxyholders are not entitled to vote on a show of hands.

ELECTION OF DIRECTORS

The board of directors of the Company (the "**Board**") presently consists of four (4) directors. Shareholders of the Company will be asked to elect four (4) directors for the ensuing year. The persons named in the form of proxy accompanying this Information Circular intend to vote for the election of the director nominees whose names are set forth below, each of whom is now a director of the Company and has been a director of the Company since the date indicated, unless the Shareholder who has given such proxy has directed otherwise. Management of the Company does not contemplate that any of such nominees will be unable to serve as a director of the Company for the ensuing year but if that should occur for any reason prior to the Meeting or any adjournment or postponement thereof, the persons named in the form of proxy accompanying this Information Circular have the right to vote for the election of the remaining nominees and may vote for the election of a substitute nominee in their discretion. Each director of the Company elected at the Meeting will hold office until the next annual general meeting of the Shareholders of the Company held following his election, unless he resigns or is removed as a director of the Company in accordance with the Articles of the Company or the provisions of the *Business Corporations Act* (British Columbia) (the "**Act**"), prior to such date. The name, province or state and country of residence of each nominee, their position with the Company, their principal occupation during the last five (5) years, the date upon which they became a director of the Company and the number of Common Shares beneficially owned, directly or indirectly, by them, or over which control or direction is exercised by them, as of the Record Date, is as follows:

In accordance with the policies of the Exchange “rolling 10% plans” must be approved annually at the Company’s annual meeting by the Shareholders of the Company. Accordingly, the Company will be seeking the approval of its Shareholders to the ratification of the Plan at the Meeting. The Plan was last ratified, confirmed and approved by the Shareholders at the Company’s annual general meeting held on December 5, 2017.

3. Options may be granted to any Director, Officer, Employee or Consultant of the Company or its subsidiaries.
4. The aggregate maximum number of Common Shares which may be issued pursuant to options granted under the Plan, unless otherwise approved by the Shareholders, may not exceed that number which is equal to 10% of the number of Common Shares issued and outstanding at the time of the option grant.

5. The number of Common Shares under each option will be determined by the Board provided that the aggregate maximum number of Common Shares reserved for issuance pursuant to options granted during any twelve (12) month period to:
 - a. Insiders may not exceed 10% of the total issued and outstanding shares of the Company at the time of grant unless approval by the Disinterested Shareholders (as defined below) has been obtained in accordance with the policies of the Exchange;
 - b. subject to (c) below, any one Person may not exceed 5% of the total issued and outstanding Common Shares (unless approval by the Disinterested Shareholders has been obtained);

6. The exercise price of an Option may not be set at less than the minimum price permitted by the Exchange or less than the Discounted Market Price.
7. Options granted will have a maximum term of up to 10 years from the date of grant.
8. Options are non-assignable and non-transferable.
9. Options can only be exercised by the Optionee as long as the Optionee remains an eligible Optionee pursuant to the Plan or within a period of not more than 90 days after ceasing to be an eligible Optionee (30 days in the case of a person engaged in Investor Relations Activities).
10. In the event of death of an Optionee, the Optionee's heirs or administrators may exercise any portion of such Optionee's outstanding Option until the earlier of one year following the date of the Optionee's death or the expiry of the Option Period.
11. In the event that the Optionee shall cease to be a Director, Employee or Consultant by reason of such Optionee's disability, any Options held by such Optionee that could have been exercised immediately prior to such cessation shall be exercisable by such Optionee, or by his Guardian, for a period of 30 days following the date of such cessation. If such Optionee dies within that 30-day period, any Option held by such Optionee that could have been exercised immediately prior to his or her death shall pass to the Qualified Successor of such Optionee, and shall be exercisable by the Qualified Successor until the earlier of 30 days following the death of such Optionee and the expiry of the Option Period.
12. Employment shall be deemed to continue intact during any military or sick leave or other bona fide leave of absence if the period of such leave does not exceed 180 days or, if longer, for so long as the Optionee's right to re-employment with the Company or its subsidiary is guaranteed either by statute or by contract. If the period of such leave exceeds 180 days and the Optionee's re-employment is not so guaranteed, then the Optionee's employment shall be deemed to have terminated on the 181st day of such leave.
13. In the event an Optionee shall cease to be a Director, Employee or Consultant of the Company for termination for cause, the Option shall terminate and shall cease to be exercisable upon such termination for cause.

14. Subject to any required regulatory approval, the Board may, in its discretion, accelerate the vesting or exercisability of any Option and all Option shares subject to an Option become vested in the event of a take-over bid. The exercise price and the number of Common Shares which are subject to an Option may be adjusted from time to time for share dividends, and in the event of recapitalization, subdivision, arrangement, amalgamation, reorganization or change in the capital structure of the Company.
15. Subject to Exchange approval and certain other conditions, the exercise price of an Option may be reduced at the discretion of the Board if prior Exchange approval is obtained and at least six (6) months have elapsed since the date the Option was granted and the date the exercise price for such Option was last amended. For any reduction in the exercise price of an Option held by an Insider of the Company, approval by the Disinterested Shareholders (as defined below) will be required.
16. Options issued to Optionees other than Consultants who perform Investor Relations Activities, may at the discretion of the Board be subject to vesting conditions

The Exchange requires that “rolling” stock Option plans such as the Company’s Plan must receive annual approval by the Shareholders. Thereafter, notice of Options granted under the Plan must be given to the Exchange. Any amendments to the Plan must also be approved by the Exchange and, if necessary, approval by the Disinterested Shareholders of the Company obtained prior to becoming effective.

“Approval by the Disinterested Shareholders” means approval by a majority of votes cast by all Shareholders at the Meeting, excluding votes attached to Common Shares beneficially owned by Insiders of the Company to whom Options may be granted pursuant to the Plan and their associates in accordance with the policies of the Exchange.

A copy of the Plan may be inspected at the offices of Gowling WLG (Canada) LLP, counsel to the Company, Suite 2300, 550 Burrard Street, Vancouver, BC, during normal business hours and at the Meeting. In addition, a copy of the Plan will be mailed, free of charge, to any Shareholder who makes a request in writing to the Company. RMC's incentive stock options to purchase Common Shares of the Company shall remain in full force and effect in accordance with the original terms thereof with respect to all granted options, whether or not vested, at the Termination Date until the earlier of their normal expiry date or 90 days from the Termination Date. Such options shall be deemed to have been amended to the effect that any provision which would otherwise terminate such options as a result of the termination of RMC's engagement earlier shall be null and void.

Sandstone Agreement

Effective December 30, 2011, and amended on November 26, 2015 and September 30, 2016, the Company entered into a management services agreement (the "***Sandstone Agreement***") with Sandstone, a company controlled by Bryan McKenzie. Pursuant to the Sandstone Agreement, Sandstone agreed to provide to the Company the services of Mr. McKenzie as the Company's CFO. Pursuant to the amendment of the Sandstone Agreement dated September 30, 2016, the Company agreed to pay Sandstone a consulting fee of \$150,000 annually, payable in equal monthly installments for approximately 1,600 hours per year. (the "***CFO Consulting Fee***"), including reimbursement of expenses, subject to periodic revision by the Company and Sandstone.

The term of the Sandstone Agreement is indefinite, but the engagement of Sandstone and the Sandstone Agreement may be terminated by Sandstone giving the Company three months' written notice and the Company may terminate the Sandstone Agreement as set forth below.

The Sandstone Agreement provides for certain payments and benefits to Sandstone on its termination without Cause or resignation for Good Cause and on termination or resignation following a Change of Control of the Company. The Company may terminate the Sandstone Agreement without Cause at any time by notice in writing stating the last day of engagement and Sandstone may resign for Good Cause under the Sandstone Agreement on three months' written notice (the end of such notice being the "***CFO Termination Date***").

Such options shall be deemed to have been amended to the effect that any provision which would otherwise terminate such options as a result of the termination of Sandstone's engagement earlier shall be null and void.

Triggering Event

If a severance or bonus payment triggering event had occurred on July 31, 2017, the severance or bonus payments that would have been payable to each of the NEOs under the Management Services Agreements have been estimated as follows:

Triggering Event					
NEO	Resignation	Retirement	Termination Without Cause and Resignation For Good Cause	Change of Control	Performance Bonus (approximate)⁽¹⁾
RMC (Todd L. Hilditch)	N/A	N/A	\$150,000	\$225,000	N/A
Sandstone (Bryan McKenzie)	N/A	N/A	\$150,000	\$225,000	N/A

The Company believes that the arrangements with the NEOs are an important component of the overall compensation package it offers to its NEOs and is necessary in order to attract and retain its key executives. As with the other elements of compensation, when negotiating the termination and optioned share arrangements, the Compensation Committee and the Board consider all elements of compensation in total rather than one element in isolation.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation Discussion and Analysis

The Compensation Committee of the Board of the Company consists of Messrs. Fischer, DeLong and Hilditch.⁽¹⁾ Pursuant to its mandate, the Compensation Committee is responsible for implementing and overseeing the human resources and compensation philosophy of the Company and making recommendations to the Board with respect to the compensation of all officers of the Company. The Board ensures that total compensation paid to officers is fair and reasonable and is consistent with the Company's compensation philosophy.

⁽¹⁾ Todd Hilditch was appointed a member of the compensation committee on January 30, 2017 to fill the vacancy created by the resignation of William Lamb.

The Company does not generate operating cash flow and relies on equity financings to fund its exploration and corporate activities. Therefore, as the Company seeks to attract, retain and motivate highly skilled and experienced officers, it must at the same time consider current market and industry circumstances and the Company's liquidity and ability to raise further capital. Each of the current NEOs is a consultant of the Company, or the principal of a company that provides consulting services to the Company.

During the financial year ended July 31, 2017, no compensation has been awarded to, earned by, paid or payable to the NEO of the Company.

During the financial year ended July 31, 2017, no compensation was paid to directors in their capacity as directors of the Company or in their capacity as members of a committee of the Board.

Elements of Executive Compensation

A combination of fixed and variable compensation is used to motivate executives to achieve overall corporate goals. For the July 31, 2017 financial year, the two basic components of the executive officer compensation program were fixed cash remuneration and option-based compensation pursuant to the Company's Plan. The Company does not have any formal annual discretionary cash bonuses, perquisites or personal benefits programs.

Fixed cash remuneration comprises the total cash-based compensation. Option-based compensation represents compensation that is "at risk" and thus may or may not be paid to the respective executive officer depending on the market performance of the Common Shares. To date, no specific formula has been developed to assign a specific weighting to this component. Instead, the Board considers the factors discussed below and the Company's performance and assigns compensation based on this assessment and the recommendations of the Compensation Committee. In determining the total compensation of any NEO, the Board considers all elements of compensation in total rather than one element in isolation.

The Board approves the cash remuneration ranges for the NEOs. The base remuneration review for each NEO is based on an assessment of factors such as current competitive market conditions and particular skills, such as leadership ability, management effectiveness, experience, responsibility and proven or expected performance of the particular individual. The Board, using budgetary guidelines and other internally generated planning and forecasting tools, performs an annual assessment of the compensation of all compensation levels for its officers.

Executive Compensation Philosophy and Objectives

The Company's principal goal is to create value for its Shareholders. The Company's compensation philosophy reflects this goal and is based on the following fundamental principles:

1. compensation programs align with Shareholders' interests – the Company aligns the goals of executives with maximizing long-term Shareholder value;
2. performance sensitive – compensation for executive officers should be linked to operating and market performance of the Company and fluctuate with the performance; and
3. offer market competitive compensation to attract and retain talent – the compensation program should provide market competitive pay in terms of value and structure in order to retain existing executive officers who are performing according to their objectives and to attract new individuals of the highest calibre.

The objectives of the Company in compensating all NEOs were developed based on the above-mentioned compensation philosophy and are as follows: to attract, motivate and retain highly qualified executive officers; to align the interests of executive officers with Shareholders' interests by making long-term, equity-based incentives through the granting of stock options and evaluating executive performance on the basis of key measurements that correlate to long-term Shareholder value; and to tie compensation directly to those measurements and rewards based on achieving and exceeding predetermined objectives.

Competitive Compensation

The Company is dependent on individuals with specialized skills and knowledge related to the exploration for, and the development of, mineral prospects, corporate finance, corporate secretarial and management. The Company seeks to attract, retain and motivate highly skilled and experienced officers by providing competitive compensation. The Compensation Committee may review other compensation practices and from time to time may consult external, independent advisors who specialize in the area of compensation prior to making its recommendations to the Board. Although the Compensation Committee reviews each element of compensation for market competitiveness, and it may weigh a particular element more heavily based on the NEO's role within the Company, it is primarily focused on remaining competitive in the marketplace with respect to total compensation.

Option-based Awards

The Company has no long-term incentive plan other than its Plan. The Company's Plan provides for the grant of stock options to directors, officers, employees and consultants of the Company and its subsidiaries. The purpose of the Plan is to provide an incentive for directors, officers, employees and consultants of the Company and its subsidiaries to directly participate in the Company's growth and development by providing them with the opportunity through options to purchase Common Shares. The grant of such stock options advances the interests of the Company and its Shareholders through the motivation, attraction and retention of these individuals.

The Compensation Committee determines the ranges of stock option grants for each level of directors, officers, employees and consultants to whom it recommends that grants be made. The Compensation Committee makes recommendations to the Board regarding the amounts and terms of stock option grants for the directors, officers, employees and consultants. Individual grants are determined by an assessment of an individual's current and expected future performance, level of responsibilities and the importance of the position and contribution to the Company.

In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Board also makes the following determinations:

- parties who are entitled to participate in the Plan;
- the exercise price for each stock option granted, subject to the provision that the exercise price cannot be lower than the prescribed discount permitted by the TSX Venture Exchange (the "**Exchange**") from the market price of the Common Shares on the date of grant;
- the date on which each stock option is granted;
- the vesting period, if any, for each stock option;
- the other material terms and conditions of each stock option grant; and
- any re-pricing or amendment to a stock option grant.

The Board makes these determinations subject to and in accordance with the provisions of the Plan. The Board reviews and approves grants of options on an annual basis and periodically during a financial year. Previous grants are taken into account when considering new grants.

The Board has not formally considered the implications of the risks associated with the Company's compensation policies and practices.

The Company has not placed a restriction on the NEOs or directors concerning the purchase of financial instruments (including prepaid variable forward contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly by the NEOs or employees.

MANAGEMENT CONTRACTS

Except as described herein, no management functions of the Company or its subsidiaries are to any substantial degree performed by a person or company other than the directors or executive officers of the Company or its subsidiaries.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board is committed to sound corporate governance practices which are both in the interest of its Shareholders and contribute to effective and efficient decision making. National Policy 58-201, Corporate Governance Guidelines, establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101, *Disclosure of Corporate Governance Practices* ("**NI 58-101**"), mandates disclosure of corporate governance practices for venture issuers in Form 58-101F2, *Corporate Governance Disclosure (Venture Issuers)*, which disclosure is set out below.

Board of Directors

Structure and Compensation

The Board is currently composed of four (4) directors. All of the proposed nominees for election as directors at the Meeting are current directors of the Company. A director is "independent" if the individual has no direct or indirect material

relationship with the Company which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment, whether on the Board or a committee of the Board. Notwithstanding the foregoing, NI 52-110 deems certain individuals to have a material relationship with a company including, but not limited to, an individual who is, or has been within the last three years, an employee or executive officer of such company.

The Board has determined that three (3) are independent for purposes of the Board members as provided in NI 58-101 and one (1) who is not independent for purposes of the Board members as provided in NI 58-101. See Composition of the Board below.

Director Nominees	Independent	Non-Independent	Reason for Non-Independence
Todd Hilditch		✓	President and CEO of the Company
Richard F. DeLong	✓		
Alfred F. Fischer	✓		
Zahir Dhanani	✓		

The Board currently does not have a Chair and does not consider that, at this stage of the Company’s development, it is necessary to have one. The non-independent director actively seeks out the views of independent directors on all Board matters. The independent directors exercise their responsibilities for independent oversight of management and are provided with leadership through their ability to meet independently of management whenever deemed necessary.

The quantity and quality of the Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current Board compensation arrangements, which includes the grant of incentive stock options for all directors, adequately reflects the responsibilities and risks involved in being an effective director of the Company. The number of options to be granted is determined by the Board as a whole, thereby providing the independent directors with significant input into compensation decisions. The Compensation Committee of the Company, of which all members are independent, is responsible for making recommendations to the Board with respect to the compensation of all officers of the Company. See “Directors Compensation” for further particulars.

Participation of Directors in Other Reporting Issuers

Certain of the Company’s directors are directors of other reporting issuers, as set out in the following table:

Director	Reporting Issuer
Todd Hilditch	Riley Resources Corp. Azarga Uranium Corp.

Mandate of the Board

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through the Audit Committee and the Compensation Committee. In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company’s overall business strategies and its annual business plan, reviewing and approving the annual corporate budget and forecast, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company’s proposed actions accord with Shareholder objectives; reviewing succession planning; assessing management’s performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to

Shareholders; ensuring the effective operation of the Board; and safeguarding Shareholders' equity interests through the optimum utilization of the Company's capital resources. The Board also takes responsibility for identifying the principal risks of the Company's business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Company's development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate legislation and regulatory policies. However, as the Company grows, the Board will move to develop a formal written mandate.

In keeping with its overall responsibility for the stewardship of the Company, the Board is responsible for the integrity of the Company's internal control and management information systems and for the Company's policies respecting corporate disclosure and communications.

Each member of the Board understands that he is entitled to seek the advice of an independent expert if he reasonably considers it warranted under the circumstances.

The positions of President and CEO are combined. The Board believes the Company is well serviced and the independence of the Board from management is not compromised by the combined role of President and CEO. The Board does not, and does not consider it necessary to, have any formal structures or procedures in place to ensure that the Board can function independently of management. The Board believes that its current composition is sufficient to ensure that the Board can function independently of management.

Nomination and Assessment

The Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President and CEO. The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions.

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an ad hoc basis. The current size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors. Proposed directors' credentials are reviewed in advance of a Board Meeting with one or more members of the Board prior to the proposed director's nomination.

New directors are briefed on strategic plans, short, medium and long-term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing Company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current limited operations.

The skills and knowledge of the Board as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies. Board members are encouraged to communicate with management, the auditor and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. Reference is made to the table under the heading "Election of Directors" for a description of the current principal occupations of the Company's Board.

Expectations of Management and Ethical Business Conduct

The Board expects management to operate the business of the Company in a manner that enhances Shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives. The Board has adopted a formal Code of Business Conduct and Ethics Policy, which may be viewed on the Company's profile on SEDAR at www.sedar.com.

Committee Responsibilities and Activities

Committees of the Board are an integral part of the Company's governance structure. At the present time, the only standing committees are the Audit Committee and the Compensation Committee. Disclosure with respect to the Audit Committee, as required by NI 52-110, is contained elsewhere in this Information Circular under the heading "Audit Committee". Disclosure with respect to the Compensation Committee is elsewhere in this Information Circular under the heading "Compensation Discussion and Analysis – Compensation Governance". As the Company grows, and its operations and management structure become more complex, the Board will likely find it appropriate to constitute formal standing committees, such as a Corporate Governance Committee and Nominating Committee, and to ensure that such committees are governed by written charters or mandates and are composed of at least a majority of independent directors.

For a discussion of the process taken to determine compensation for the directors and the CEO, see the disclosure in this Information Circular under "Compensation Discussion and Analysis".
